

Metal market

In an approximately 600 m² sales and storage depot at our site in Ybbs, we offer high-quality metal goods:

- Well-priced recycling-iron
- High-quality new iron goods
- Aluminum and stainless steel
- Tools and colors
- Constructional steel / profiles / pipes
- Screws / nails
- Formliner / fences

Trained and professional salespeople advise handymen as well as purchasers from building or locksmith enterprises. Due to modern machinery, precise workpieces can be provided. Optional galvanizing is possible.

Flexibility and contact with our customers, in combination with competence of personnel, provide confidence and a solid business base.
